

# STRICTLY PICTURE PERFECT

**G**LAMOUR and humour envelop Anna Mazzotta's artwork – as does her desire to build relationships with the viewer.

The Royal College of Art graduate's atmospheric charcoal drawings and colourful oil paintings are vibrant, playful and full of character – they'll often make you smile and reveal new details every time you look.

Having a lifelong attraction to the vintage scene, Anna draws from Art Deco decadence, vaudeville, dance halls, silent films and nostalgic beach scenes to recreate a sense of glamour and being truly alive that we all yearn for.

Throughout her 20-year career, her work has featured in national and international collections – being one of the youngest winners of the prestigious Jerwood Prize and awarded the Great Art Prize by the Society of Women Artists. Anna's desire is to share her joy of art with the public and engage with you directly.

From buying a limited edition print to investing in one of her charcoal or oil paintings, or enjoying a specifically curated commissioning experience that brings you into the heart of the artistic process, Anna wants to mirror the joy and playfulness in her art – and bring that to your home.

**'I know buying art can sometimes be intimidating, but it shouldn't be – just pick up the phone for a chat or take a look at my website to see other people's experiences that might work for you,' – Anna**

*My painting is a way of seeing the world, thinking, feeling, showing sensations, not just the mechanics of a scene, but instead emphasising energy, life and letting the inner emotion of the characters come forth.*
